Dear Sir (or Madam),

STUDENTS COUNCIL MINUTES, 1919-1920

In 1947 I was Assistant Editor of Wessex News. In this capacity I did some groundwork on an article about the beginnings of student self-government in the U.C.S. For this purpose I borrowed the Minute Book for the session 1919-1920. The other day I came across it among a pile of old papers and books. I return it herewith. I trust you will forgive the delay in returning it to you.

Yours faithfully,

A.E.C.W. Spencer.

A special meeting of the Students Council was held on Thursday 30th Oct. 1919. The following members were present. Mr. Williamson, Mr. Kiteatt, Mr. Snellgrove, Mr. Cantelo, Mr. Cochrane, Mr. Cook, Mr. Munkton & Mr. Robes.

The special business before the Council was the election of a secretary, which under the existing provisional rules should be chosen from within the council.

Mr. Williamson proposed that the Council should ask Mr. R. F. Tully if he would be willing to act as sec. & co-opt him in that capacity. The term was far advanced & a great deal of the work had been carried on by the General Secretary Mr. R. F. Tully pending the election of the Students' Council.

The co-opting of the late Gen. Sec as sec. of the Students Council would save the handing over of various matters & would mean that the council would carry straight on, as the Sec. would have all the details at his finger tips.

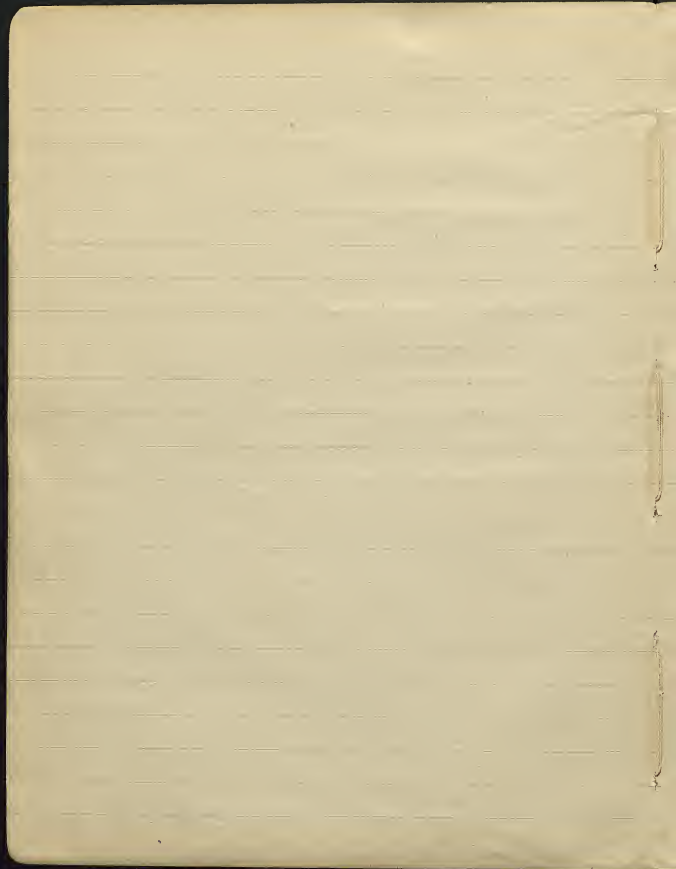

Moreover it would be well to remember that the present session was to be a test year and as such it was not possible to stick to hard & fast rules, & it was obviously to the advantage of the Council and the Students as a whole to have Y^r Gully as secretary.

M^r Nobes seconded & the proposition was carried unanimously.

M^r Nobes then proposed that Mr Williamson be elected as president of the Council.

This was duly seconded & carried.

This concluded the business.

A meeting of the Students Council was held on 4th Nov. 1919. Mr Williamson was in the Chair & there were present Miss M.K. Grant, Miss L. Smythe & Messrs Snellgrove, Kitcatt, Cochrane, Cantelo, Cook, Nobes, Hunkleton & the Secretary.

The business in hand was to decide in what proportion Junior Ex-Service Men should be represented on the Students Council. After considerable discussion it was proposed by Mr Cook & duly seconded, "That the same proportions in representation be given to Junior Ex-Service Men as for Seniors"

This was carried unanimously.

Mr H.J. Davis was then elected Treasurer. The Sec. of Football had written applying for a grant of £20 for immediate use. As he had spent a considerable amount of his own money it was decided to permit him to apply for £10 from the Treasurer.

This concluded the business.

Letters were read from the newly
formed, Net ball, Rugby & Men's Hockey ←
applying for affiliation to the Central
Union. This was granted

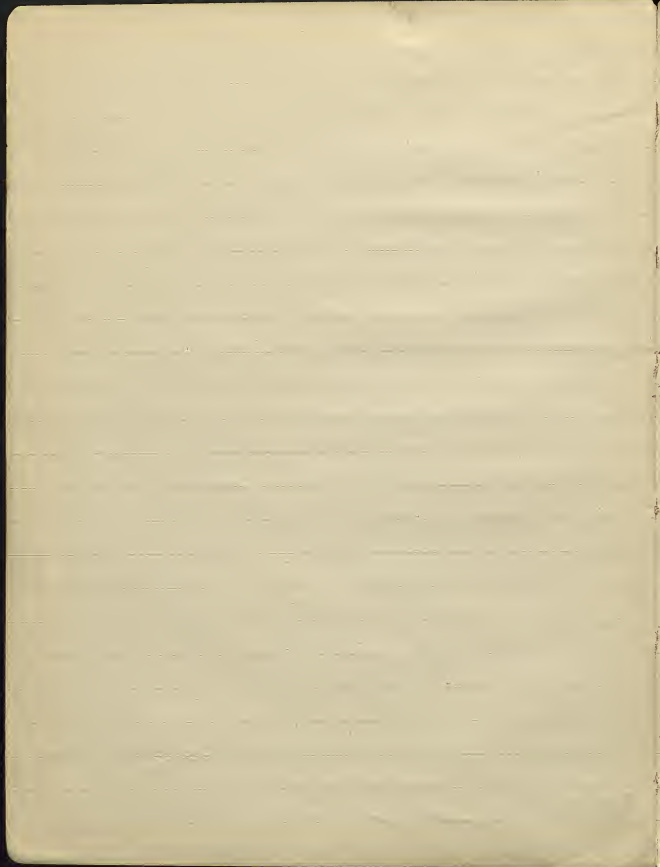

A sub-committee consisting of Miss H.K. Grant,
Miss L. Smythe, Mr. Snellgrove & Mr. Cochrane was
elected to consider the question of procuring
gowns for next term.

A meeting of the Students Council was held on 13th Nov. 1919. Mr. Williamson was in the Chair & there were present Messrs. Nobes, Munckton, Cook, Cantelo, Cochran, Kitecatt & the Secretary.

The Secretary reported that in spite of the fact that a notice had been placed in the M.C.R. asking for nominations for Junior Ex-Service Men to the Students' Council, for the past eight days, so far none had been received.

A motion that the Council should carry on without them was defeated & it was proposed that the Scheme be explained at the "Welcome Smokers"

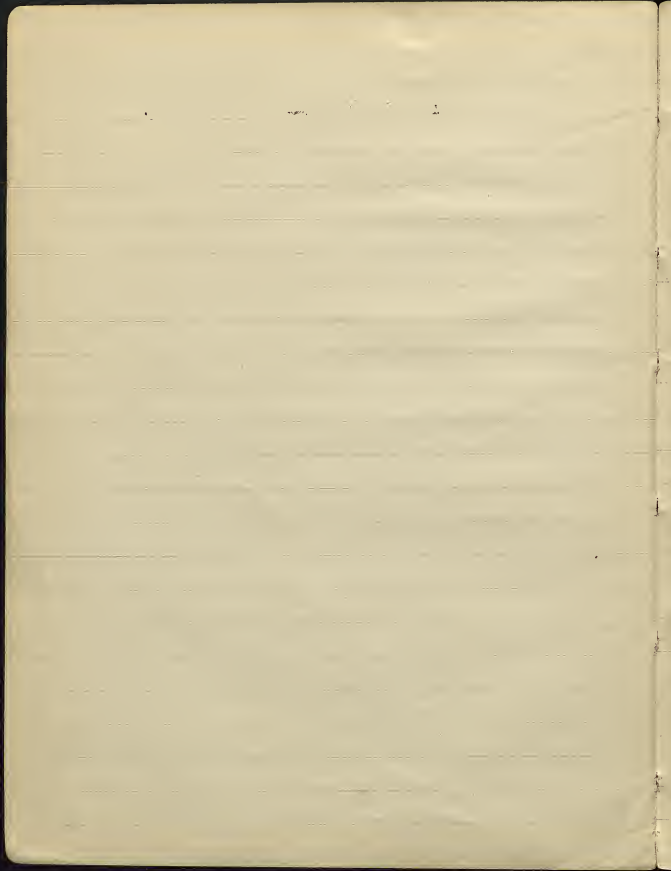

Mr. Williamson proposed "That the Principal be asked to a conference with the Students Council." The reason being that several points had arisen in which the Council were not quite sure of its powers. This was seconded & carried. This concluded the business.

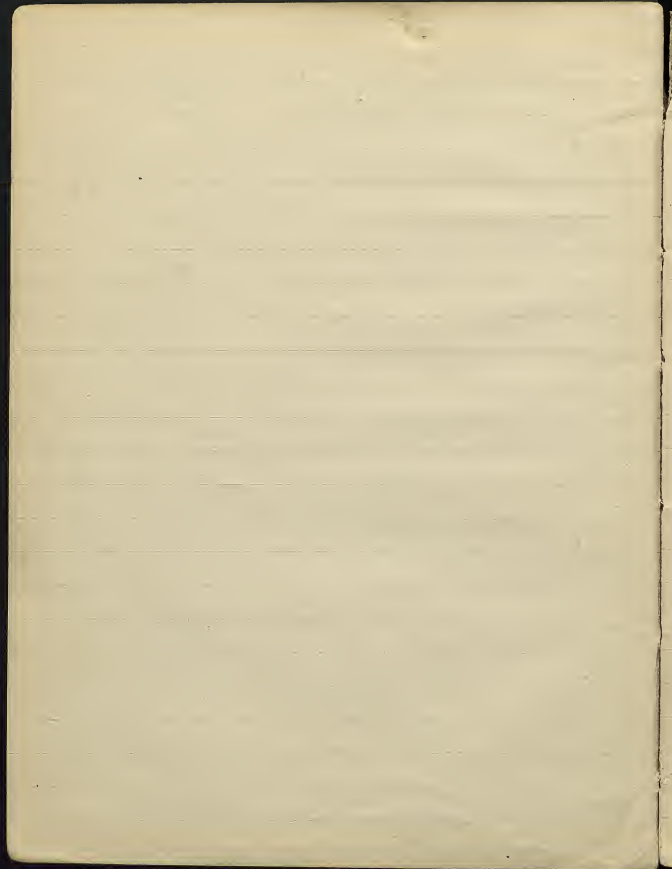

A conference was held on 14th Nov.

Dr. Hill presided; all the members except the Junior Ex-service Men were present.

It was decided that the Students Council should give permission to any Society to hold social functions after consultation with the Principal or Miss Aubrey in certain cases. The Principal should be consulted on the question of hiring a hall for Soirées. Soirées should be limited to two per term but ^{on question of} ~~should~~ any special function such as "An Armistice Soirée" should be considered by the Students Council &

A meeting of the Students' Council was held
on 20th Nov. Mr. Williamson presided.

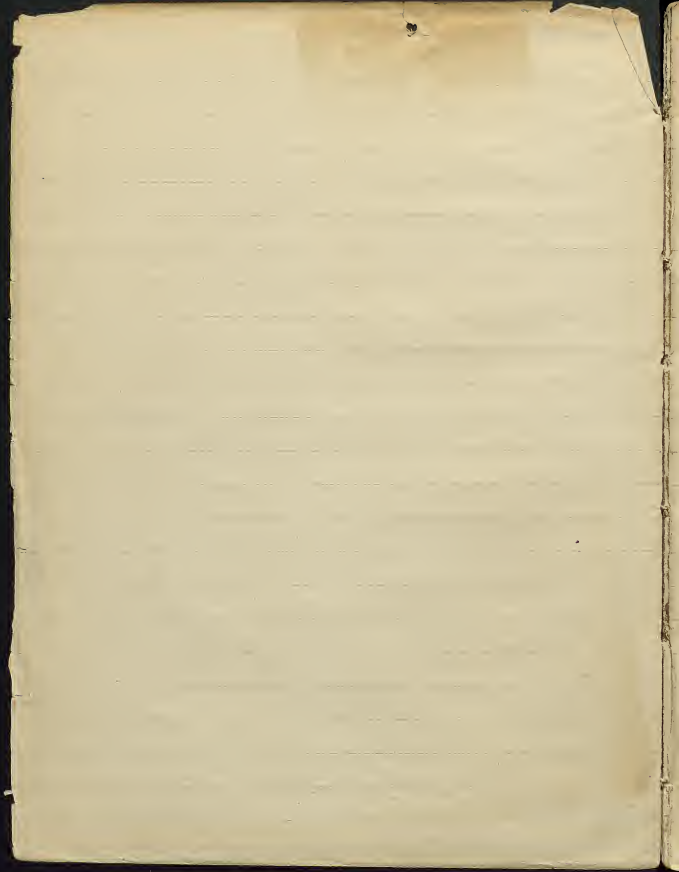

A meeting of the Students Council was held on 25th Nov. M^r Williamson was in the Chair. Members present Miss M. K. Grant, M^r Nokes, M^r Munchkin, M^r Cook, M^r Cochrane, M^r Kilcatt, M^r Cantelo, M^r Leigh, M^r Hughes, M^r Reeves, M^r Mew, M^r Collins & the Secretary.

A letter was read from the Sec of Football asking permission to hold a Smoker on Sat. 29th Nov 1914. This was granted.

A letter was read from the Sec of the Poisei Com^{tee} asking for affiliation to the Central Union. This was granted.

A letter was read from a number of students asking permission to form a committee to run a proposed Sports Day once a year. This was granted.

The custom of taking notices to the Registrar for signature before placing them on the College Notice Board was objected to. It was suggested that the Chairman or Secretary of the Students Council should sign notices & that the various secretaries of the College societies should sign their own.

MR. CROCKER.

The "Ragging" Spirit.

Liveliness Among Ex-Service College Students.

"Rags" are not confined to London students. About 50 ex-Service students of the University College decided on Saturday night that they might as well be lively as placid on their way back from town. So they formed into fours, amiably twitted sundry passers-by, and liked to hear the tram-driver vigorously tintinabulate while they kept in the track.

The fun had been preceded by a display outside the women's hostel, which brought out an indignant lady professor with the intimation that "You men must go away." Which they did, saying in chorus, "Who's all right? Ma's all right."

And it appears, according to the students' own account, that they cherish a "certain liveliness" at the College at all times. On Armistice anniversary, for instance, the two minutes of silence were compensated for by a fearful din in the common room when the question was asked, "Why should we work to-day?"

There was combustion, too, when some of the students were directed to attend for medical examination at six o'clock. Why should they be medically examined at 6 o'clock? Why not in College time? So one of their number wrote a letter to the lecturer who was to take the class from 3 to 5, saying they regretted they would not be able to attend, having decided to have time off in compensation for the period the medical examination would require of them.

From which it may safely be concluded that the ex-Service students are not lacking in independence. Reaction from Army discipline has a lot to do with it, no doubt. All will be well so long as the students bear in mind that the spirit of independence can be pushed too far, and even "rags" overdone.

In common with thousands of other ex-Service students, they are suffering from a delay in the receipt of their maintenance grants. Having passed the necessary examination, they were allotted a maintenance grant for the period of their training—on paper. They have had to find money for railway fares, food, lodgings, and books—the latter no mean item. But their grants tarry, and some of them are sorely put to it to carry on.

Inquiries show that there are 14,000 cases to be dealt with, and that the grants are coming through as quickly as possible. Nevertheless, it cannot be denied that some students are more than inconvenienced by the delay. Not a penny has come to them.

At the Manchester College of Technology, where there are 400 ex-Service students, things were found to be so bad a week or two ago that a fund was opened on the suggestion of the officer in charge by which the better-off students helped those in need. A sum of £70 was at once subscribed, and the professors and Heads contributed £50 out of sympathy.

It was decided that action should be taken in the matter.

The Secretary then drew attention to the appended paragraph which had appeared in the Southampton Times.

Objection was taken to first part as it was a direct misinterpretation of the facts. After considerable discussion the Secretary was empowered to write to the Editor & repudiate the statements.

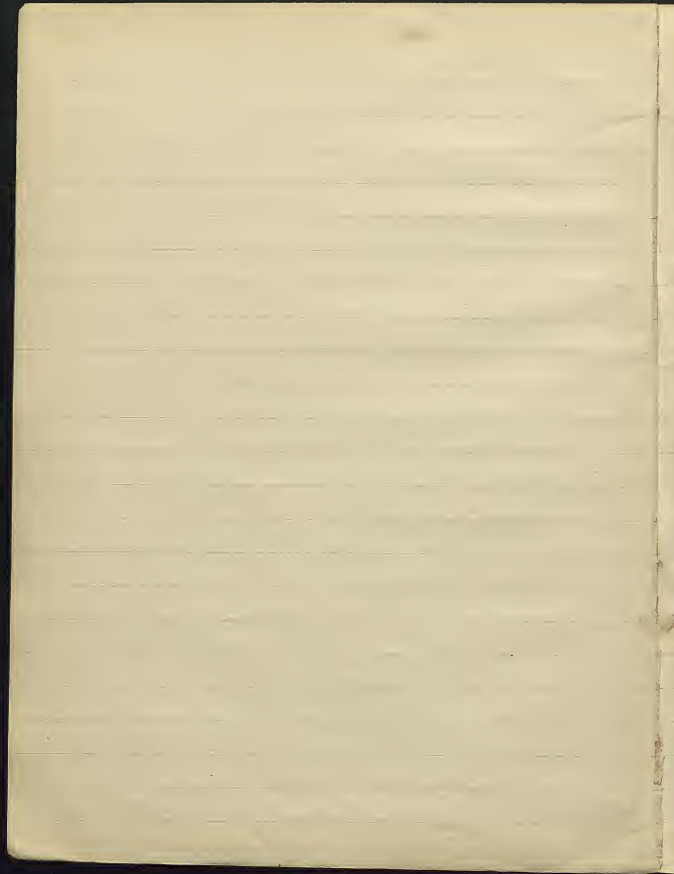

In connection with the above the Secretary pointed out that people unconnected with the College had appeared at College Social Functions without an invitation from the Secretaries of the Societies concerned.

M^r. Nobes then proposed that "No one be admitted to College Social functions except Present & Past Students unless specially invited by the Society concerned"

This was seconded & carried unanimously.

M^r. Nobes then proposed that a letter be sent to the person who had offended.

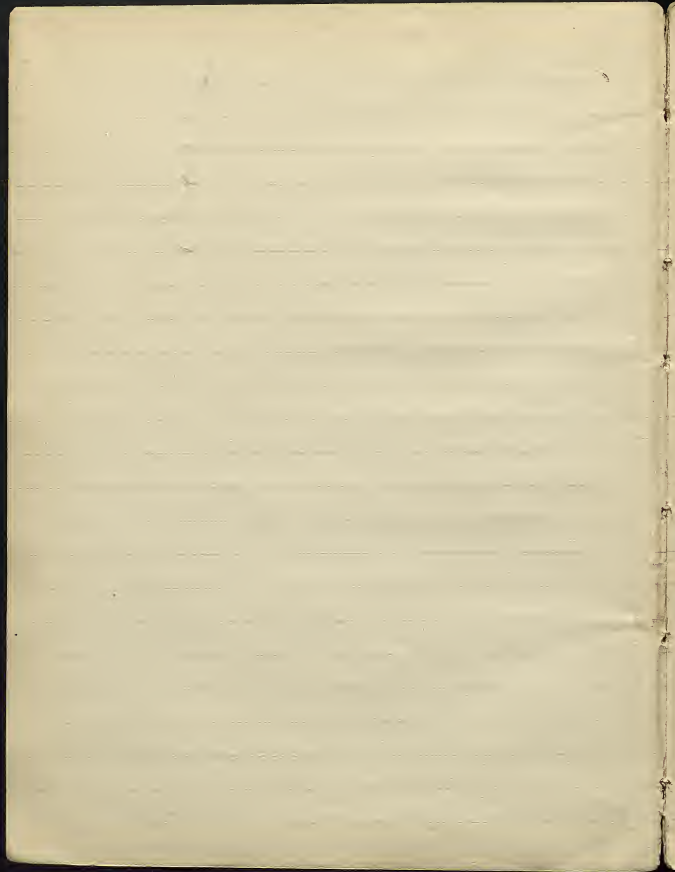

This concluded the business.

A meeting of the Students' Council was held on 24th Nov. 1919. Mr. Williamson presided. There were present Mr. Davis the Treasurer & the full committee.

A letter was read from the Sec. of the Orchestral Society applying for affiliation to the Central Union. This was granted. The next business was the fixing of the provisional grants to the various societies previous to the Central Union Meeting on Friday 25th Nov.

These were fixed & it was decided to place them for discussion before the Central Union Meeting.

A Central Union Meeting was held on
28th Nov. 1919. Mr. Williamson in the Chair

Dear Mr. Tully

Of the many University
Groups in which I am
included, since I rowed in
my College boat in 1875
none appeals more strongly
to my pride than the
one I received this

Morning. The true-hearted
men and women who have
established the Self-
Government Council have

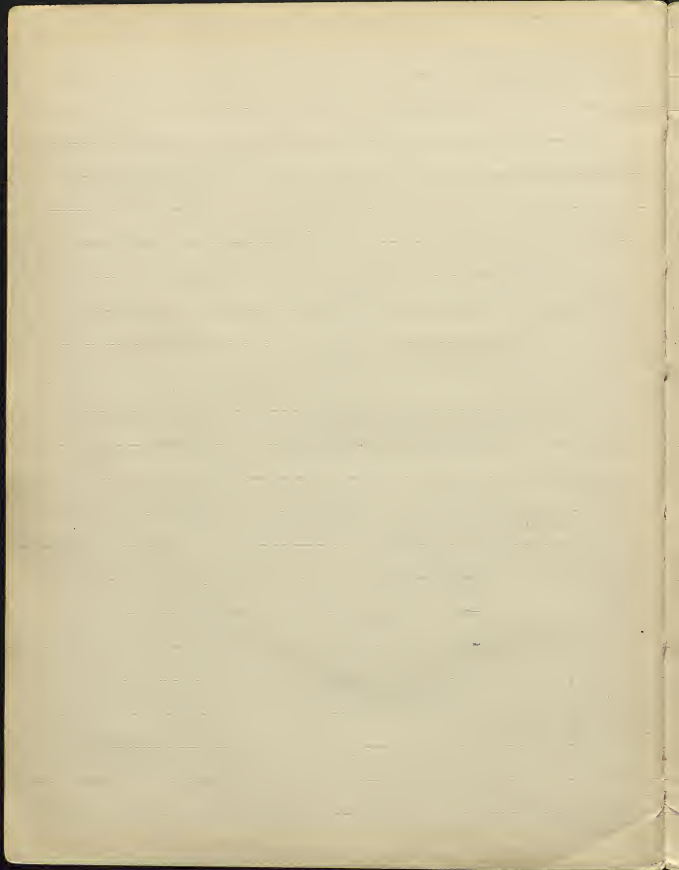

created a tradition which
will be passed on to all
future generations of students.
There is no need to
condemn the Hartley, as
I first knew it in 1913
with the Hartley of
today. The material
change is obvious. The
change in sentiment is
not less real. Whenever
I look at the photograph
you have sent me -
and that will be often -

A letter was read from the Men's Hockey Club requesting permission to award Honour caps at the end of this and subsequent seasons. This was granted provided no grant for purchase of caps be applied for from the Central Union Fund.

On the resignation of Miss E. M. Sears, Mr. Olney was elected Secretary.

It was reported to the meeting that the Women's Hockey Club desire to provide teas in the College Refectory after matches played at Swaythling. The Refectory Committee will allow use of Refectory, but teas must be provided by the Refectory Staff. The W.H.C. claim that by making their own arrangements a saving of between ten and fifteen shillings per match, could be made. The meeting protested against the action of the Refectory Committee and the Secretary was instructed to ^{inform} them of this protest.

This concluded the business.

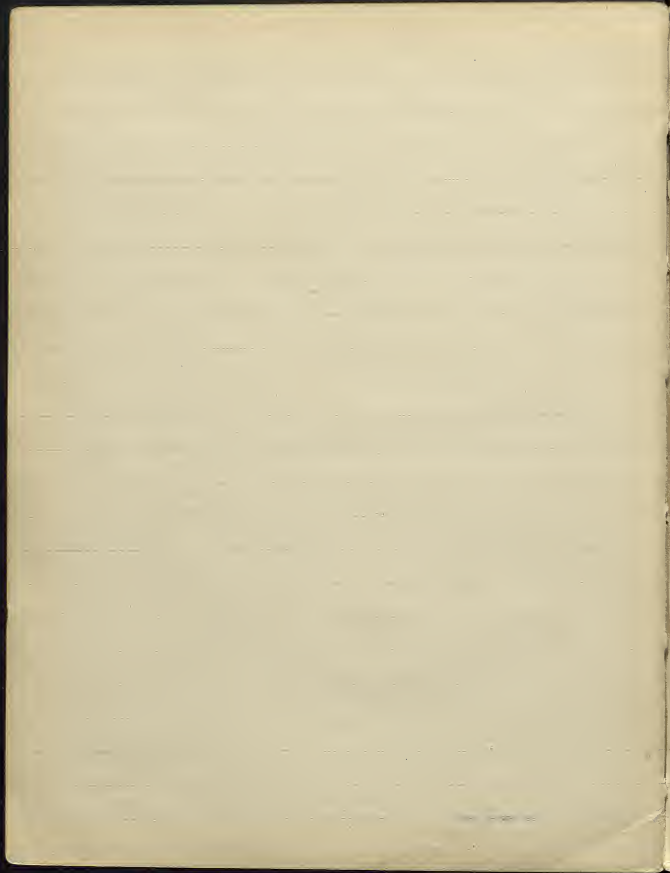

A meeting was held of the Students Council was held on 16th Nov. 1920. Mr. Jolly presided. Present. Miss Grant, Miss Sears, Messrs Hughes, Collins, Morgan & Olney.

An application from the Boxing Sec, to hold a Boxing meeting in the M.C.R. was refused, but permission was given to hold this meeting in the Drill Hut.

Permission was given to the Orchestral Society to hold a concert in Highfield Institute on 15th Dec 1920. It was decided that the proceeds should be given to the Central Union Funds.

This concluded the business.

P. J. Jolly.
24-11-20.

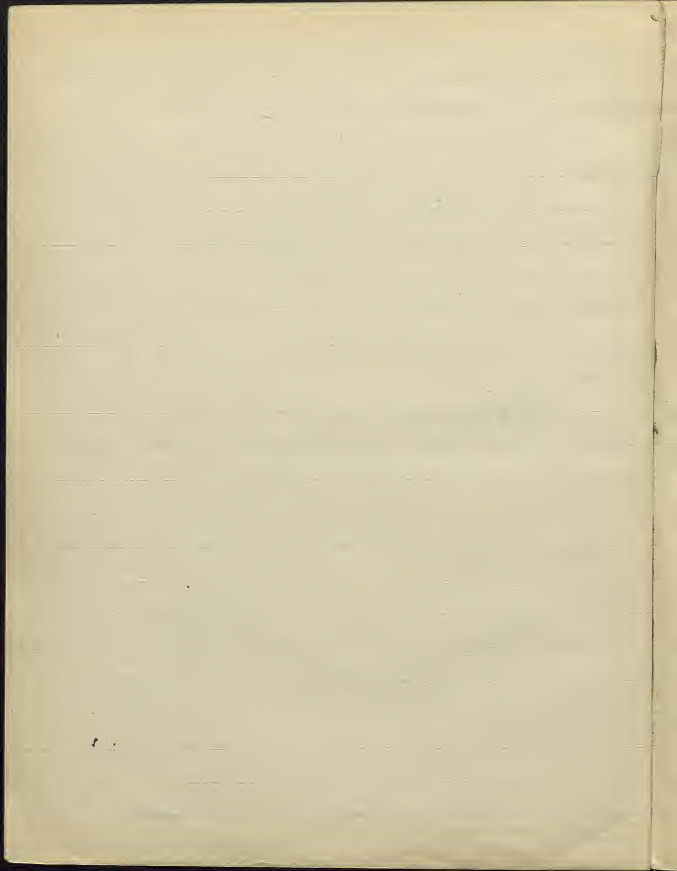

A short meeting of the Students' Council ^{was held} on 24th Nov. 1920
Mr. Tully presided. Present Miss Grant, Messrs
Holland, Collins, Hughes & Olney

The business of the meeting was to consider a
letter received from the Secretary of the Refectory
Committee in reply to the letter of protest sent by
the Students' Council. The protest concerned a report
received from the Woman's Hockey Club and considered
at the meeting held on 13th Nov. It was evident
that the Council had been misinformed, and the
protest was withdrawn.

It was decided to hold an election for the
Secretaryship of the Sports Committee.

P. J. Tully.

A meeting of the Students' Council was held on the 9th February 1921. Mr. Tully presided.
Present: Miss Cooke, Miss Grant, Miss Sears, Messrs Holland, Hughes, Morgan & Olney.

An application from the Secy of the Rugby Football Club for an award to pay for jerseys purchased at the commencement of the present season was considered. It was suggested that some of the jerseys might be sold to members of the club, failing this the matter will be reconsidered at a later meeting.

As a large proportion of students have not yet paid their Composition Fees it was decided that names should be published on a list placed on the notice board, and that all members of the Students Council should be allowed to accept these fees in the M.C.R and W.C.R during the "Breaks" on Monday and Friday, February 14th and 18th respectively.

- A letter was read from the Birmingham University Guild
of Undergraduates. The letter concerned the proposed
National Union of Students and the Council were invited

certain students towards the Students' Council,
but the meeting eventually decided not to take

October 21st 1921.

a meeting of the Students' Council was held on Oct. 21st 1920,
Mr. Tully presiding.

Present : - Miss Grant, Miss Smith, Miss Stace, Miss Bowdell,
Messrs Dufton, Coles, Carroll ^{& Howison} ~~and the Secretary~~.

Business of meeting : - To elect President, V. Pres. & Secretary.

Mr. Tully was proposed and seconded as President.

Mr. Howison " " " " Secretary.

The President raised the question of the meeting of the Principal and the Central Union, and it was decided to write to him and ask for a date.

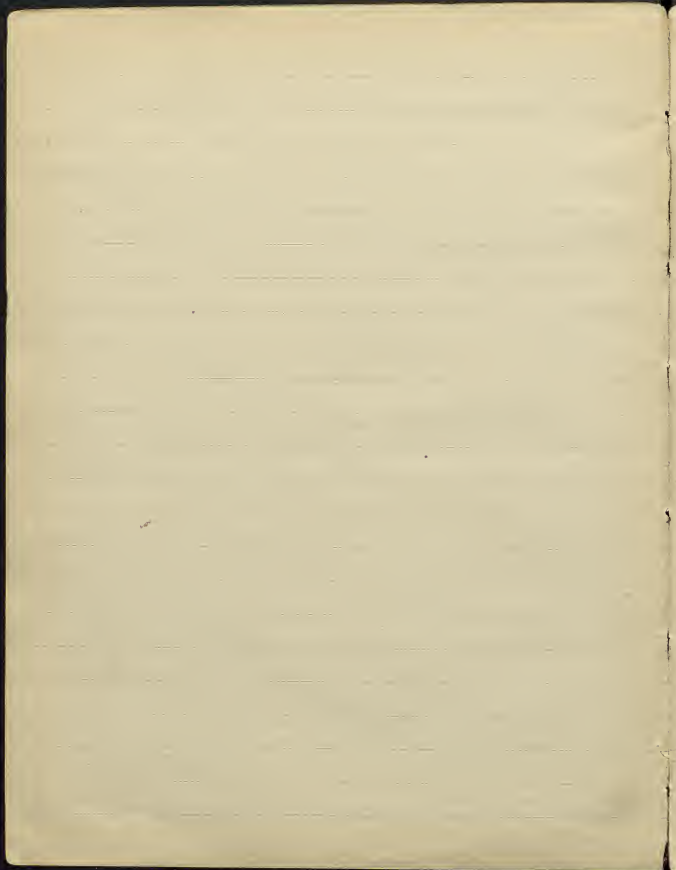

Mr. Tully brought to notice the question of the election of the Refectory Committee which had taken place without nomination on the part of the Students' Council. It was decided to write and bring this matter before the Secretary's notice, and meanwhile that the Students' Council cannot recognise the election under the circumstances.

Mr. Coles raised the question of Complaints from Students concerning a member of the Refectory Staff; also regarding prices charged being kept constant.

Wednesday, Oct. 26th

a special informal meeting of the Central Union took place in the W.C.R. at 11 o'clock, at the Principal's request.

The Principal pointed out that owing to so many society meetings being held at inappropriate times

Study work, especially among Juniors, was suffering, as witness results of exams.

The Senate had brought in one definite rule - viz. "That there will be only one dramatic representation per year".

The Wardens of the Hostels (S. Stoneham, Highfield Hall, South Hill, and Y.N.C.A.) had agreed that leave would be given more freely to Seniors than to Juniors, but in no case should ^{there be} ~~Societies~~ meetings more than TWICE per week, which would require the presence of women or men from the Hostels.

Decided that following Societies with serious objectives shd be allotted those periods: —

G. U. (except for social functions, teas etc).

Science Society (only for interested people concerned).

Orchestral. (usually Sat. afternoons now!)

Choral.

Lit. & Deb. Socy.

and Stage Socy.

Meetings of all other Societies must take place either on Saturday afternoons or evenings, or in spare-time (dinner-hours etc for Committee meetings).

Soirées must be arranged for Sat's, not more than 2 per term.
Mr. Tully & Miss Grant were unavoidably absent from this meeting. 4/11/21

Friday. Nov. 4th 1921.

A meeting of the Students' Council was held in Room 1 at 12.45, Mr. Tully presiding, all members present.

On the Agenda: -

(1) Mr. Coles brought to notice the question of the Refec. management & profits, and proposed that a balance sheet sh'd be shown periodically.

It was decided that, before meeting the Refec. officials, Miss Grant, Messrs Tully & Howison sh'd see the Principal on the matter.

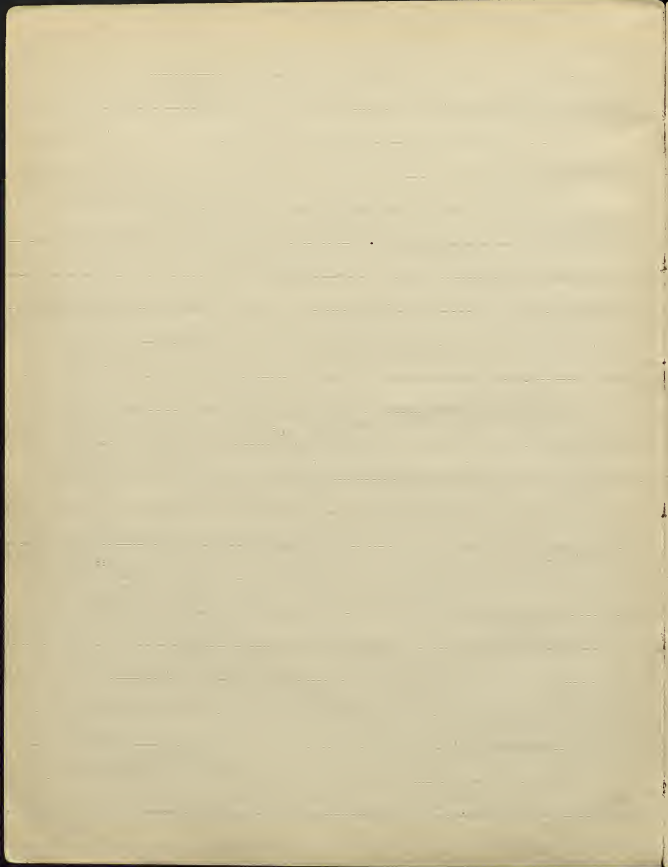

It was pointed out that the Refec. has become rather a dining room for Hostel Students than a Coll. Refectory.

(2) Mr. Coles also spoke of the nuisance caused by Students leaving motor-cycles etc in the covered ways of the Coll. and the following rule was carried, seconded by Mr. Duffon.

"That no motor-cycles, cycles or motor-combinations shall be left in the covered-ways round the Coll. building."

(3) The following were also carried as rules, to be published for 6 days.

(A) "All Secretaries to be held responsible ^{that} for their expenditure shall not exceed their Central Union Grant, and any debt thus incurred shall be deducted from the next Grant."

- (B) " ~~There~~ no Student shall smoke in the Corridor."
(C) " " or Students shall create a noise or
obstruction in the Corridor."
(D) " " damage or deface Coll. property."
The penalties to be as in previous ruling.

The question was raised re excessive damage to M.C.R. furniture by rough usage, & it was decided to write to the M.C.R. committee to attempt to prevent such damage.

Nov. 11th.

A meeting of the Students' Council was held on Friday, Nov. 11th at 12.45 in Room 1.

A letter was read inviting two representatives of the Council to meet the Refectory Committee in Prof. Coek's room at 1.45 pm on Wed. 16th inst.

The Council elected that Messrs. Tully and Howison should represent the Council at this meeting.

Mr. Tully informed the meeting that the Principle had informed him of the ^{new} constitution of the Refectory Committee as follows:-

Four members of the Staff (nominated by Senate).

Four students, elected through Students' Council.

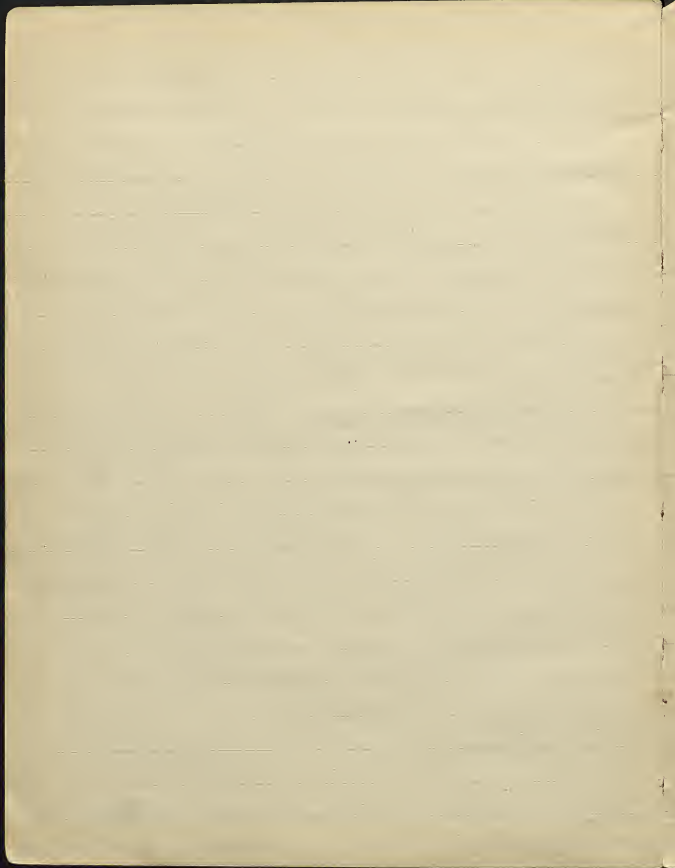

Committee have power to co-opt an additional member of the Staff, and an additional Student.

Students elected should represent

(a) Two - the Women's Hostels.

(b) One - S. Stoneham House.

(c) One - the remaining Day Students.

Suggested that the Students' Council should delegate the election of (a) & (b) to the ~~two~~ bodies concerned, with suggestion under (a) (Women's Hostels) that one of their representatives sh'd be a student living at the Y.W.C.A."

The Refectory Comm: has power to make rules for the food font. of the Refectory.

The Senate has retained its present representatives, & in view of the heavy burden of the Committee at present, it is desirable that the Students' representatives sh'd not be changed just now.

A rule was also brought into being to come into force at once — "Cycles are not to be ridden down the slope to the Cycle-store."

The question was also raised as to the Staff members smoking in the Corridor. This will be considered by a Senate meeting.

It was also decided that only the following clubs shall be allowed to award "colours" (caps, badges etc)

Cricket

Football (Rugby & Assoc.). There was no other business.

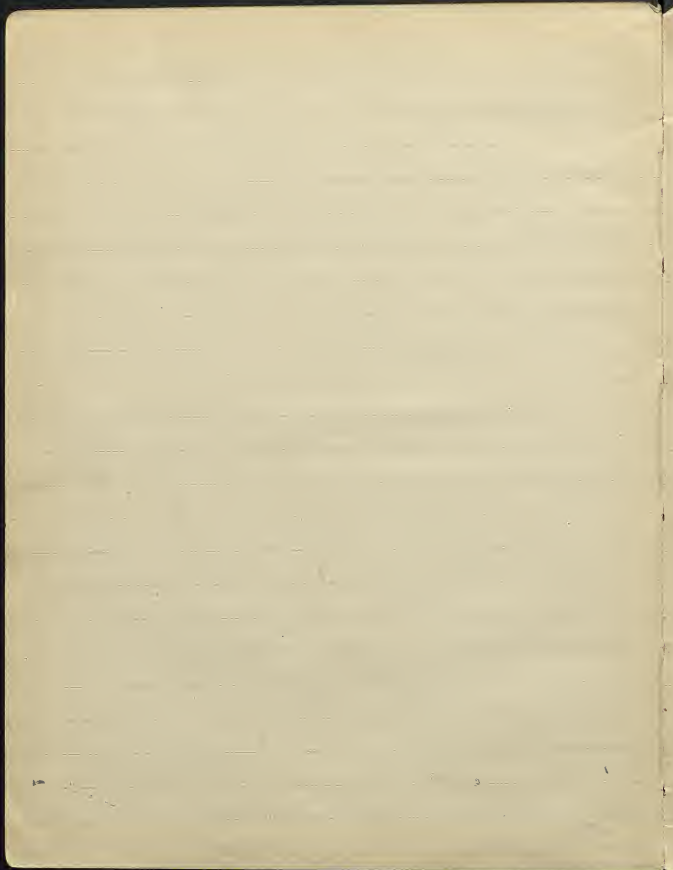

Hockey (both)

Netball.

Tennis

Boxing

Sports ("Victor Ludorum").

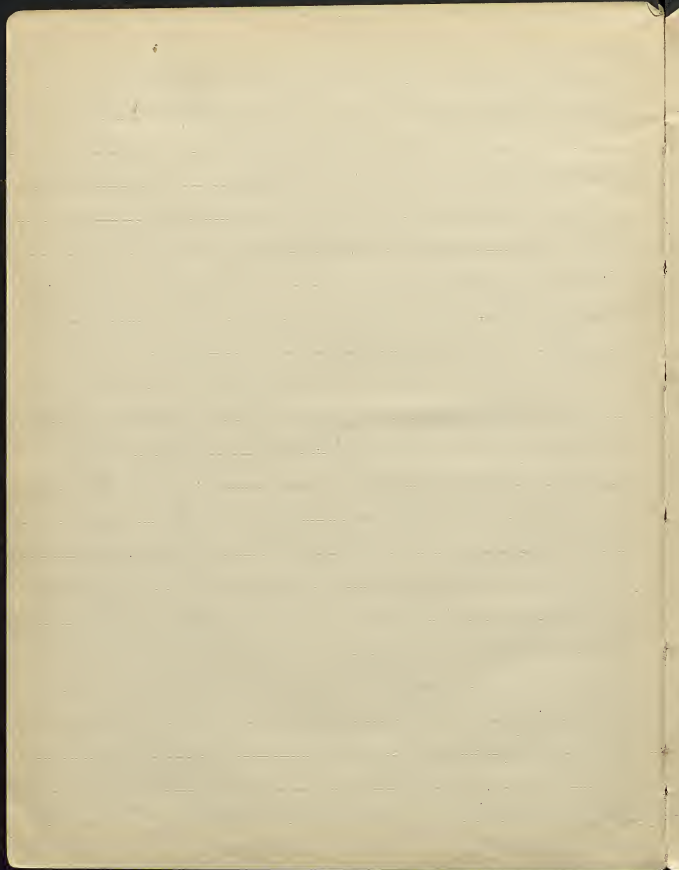

16th November.

Messrs Tully and Howison, as representatives of the Students' Council, met the Refec. Committee in Prof. Boell's room at 1.45 Wed. 16th Nov.

It was arranged that the nomination of ^{Student} members for the Committee sh'd be arranged mutually, the members for S. Hoveham, however, being elected through the Students' Council.

- ① Under the suggestions put forward by the Senate, the Refec. Committee sh'd control prices. X
- ② The Refectory owing its existence to Coll. authorities, and having been subsidized by them, they have a legal right to use it for the accomodation of Hostel students' meals, and this will not be allowed to interfere with adequate accomodation for non-Hostel students.
- ③ The Principle has stipulated that the Refec. must not be used immoderately regarding time spent there by students. This moderation in time to be left to the good sense of the Students themselves. ✓
- ④ Mrs Russ is manageress of the Refec. & as such is responsible for the good conduct of Refectory, and the proper use of utensils etc. X?
- ⑤ The Committee cannot see their way to issue a balance-sheet, as such is not demanded by the Senate, and the

profits are a basis for prices, and fluctuate from time to time. No outside body is concerned, so the demand for a balance sheet is unreasonable, provided the Refec. Committee carry out their duties satisfactorily.

- (6) Any complaints from Students must come through their own representative on the Committee, & will be dealt with.

The question of the recent ^{& present} boycott was gone into and the Committee offered to send a member to the next meeting of the Council to clear matters up with them; the Council was requested, if satisfied of the future well-being of Day Students in the Refec., to come to some arrangement by which the Students sh^d have the matter put before them at a ^{General} meeting, in order to terminate the present difficult position.

Messrs T. & H. agreed to place matters before the Council with a view to straightening difficulties out.

Mr Kelly agreed that it was not fair to expect any guarantee of agreement, from the 2 representatives, who could only place matters before the Council & do their best to settle them. The meeting then broke up.

To the Hon Sec.

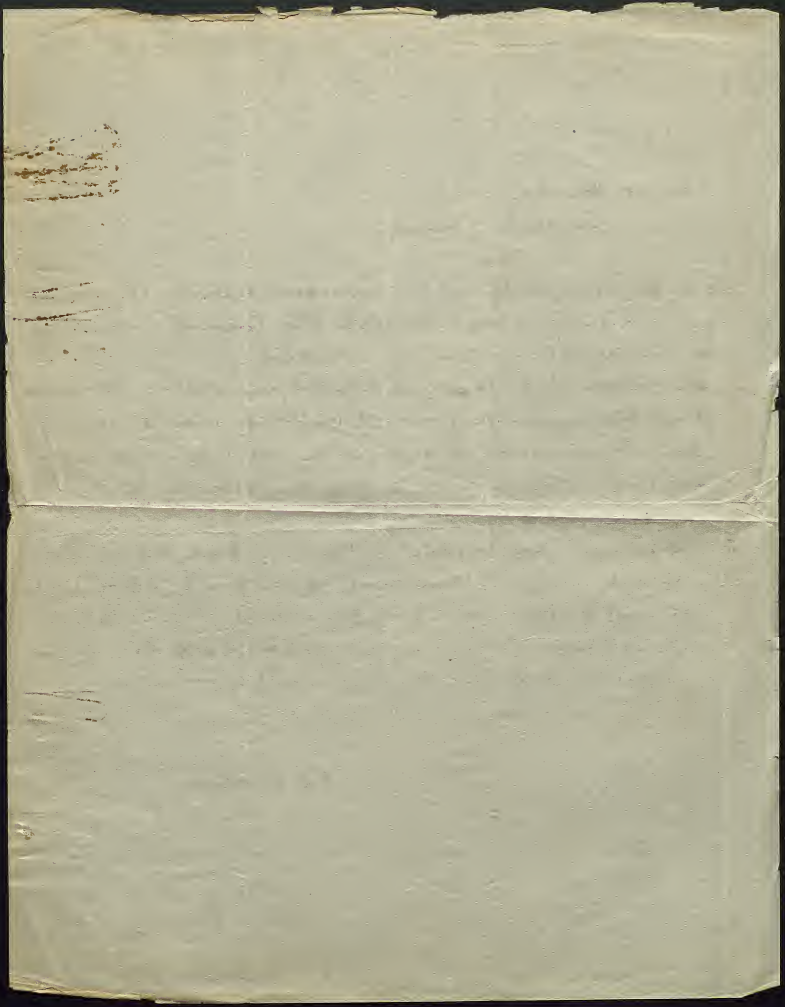

Students Council.

At a General Meeting of the women students it was unanimously agreed to ask the Students Council to consider the following resolutions:-

- i The women students would like the men students to realise that the women pay more of the total amount received from Composition Fees than the men do, and that most of the money goes to pay the expenses of the men's sports societies
- ii That in consideration of the large part the women students play in the support of the Tennis Club, part of any further receipts to the Central Union Fund be allotted to the running expenses of the Tennis Club in preference to other societies.

A meeting of the Students' Council was held on Friday, Jan. 20, 1921, in Room 1; Mr. Jolly presided. All members present.

A deputation from S. Stoneham, of ex-service men were also present @ Mr. Jolly's invitation (as representative of the S.C.).

Mr. Jolly reported that the unique position of the Ex-S. men at S. Stoneham justified them in asking for a grant from Central Union funds to carry on their sports, in view of their inability to attend the Coll. sports on acc of time and numbers. They would still wish Coll. teams to pick from their numbers for Coll. matches & expressed a wish to keep in with Coll. sports in every way possible.

The Council decided unanimously to place the matter before the Central Union, give it their support, & recommend that £30 be refunded to these men, the remaining £20 to be given to Tennis Club. The Central Union will meet during the week.

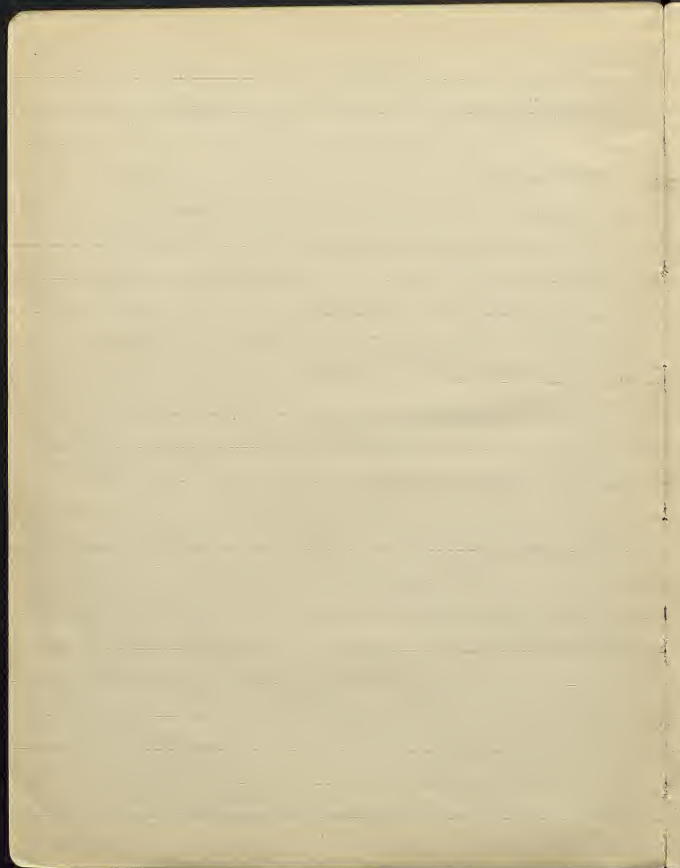

It was also decided that the S.S. men should have 1 representative on every club in which they are interested, these to be voted by themselves or the House Committee.

No satisfactory result was attained, owing to the ~~un~~ attitude adopted by Professor Coek, who attempted to justify the actions of S.S. House ~~S.C.~~ on the grounds of the House system, which does not, and cannot exist in U.C.S.

- (1) The franchise cards. Prof. Coek declines to modify this in any way whatever.
 - (2) The Victor ludorum award. The ^{President} claims a perfect right to award such a thing personally, so he may do whatever he wishes with his own money - This despite the fact that this award in U.C.S. is a unique annual award given only to the Champion of the Annual College Sports.
 - (3) On the question of Sports - Prof. Coek claims the right to control and veto "unreasonable demands" which may be made next year for S.S. men to play in 1st and 2nd and 3rd ~~for~~ for Football. This limits, and even nullifies, the powers of the S. Council Central Union as laid down in the Constitution which the Secretary read at the meeting. It was decided to ask the Principal to sign the public copies of the Constitution now printed & framed for the U.C.S. W.C.R. The meeting lasted 1 1/2 hours and established nothing. P. H. H. 12/1/11
